Shooting Star Amusements

Dear Brenda and Joe,

Greetings from the Quesnel Billy Barker Days Society. We hope all is well with you.

It has been an annual tradition for the President of the Society to present the President's Award to an individual or organization who shows true Cariboo community spirit by going 'above and beyond' to help make the Billy Barker Days Festival a success. This year for Festival 2011, it is my extreme pleasure to present the award to you, and Shooting Star Amusements. You have truly been a great asset to the Festival, not only financially, but also you are very supportive of our members. We know it is time for the Festival to start when Shooting Star pulls into the parking lot. The whole community feels the excitement. When we are running around, stressing out, you are there to lift our spirits. Also, we are appreciative of the recognition you give to Billy Barker Days on your website.

I would like to present the award to you when you arrive for Festival in July. Thanks again for your kindness and all the help you give to the Quesnel Billy Barker Days Society.
